I am very sorry for your families loss. Having a strong faith in God is something that can be comforting in times such as this one. Just as Jesus said at John 11: 25, 26 those exercising faith in him have the hope of a resurrection. Just as God has brought humans back from death in the past (John 11:39 - 44) he will also do the same for our love ones. God can not wait until day he will bring so many back, including Jason, as Job 14 :14, 15 tells us. Keep praying and God will keep comforting you at this time.

Man you was always a funny dude and we always seemed to run into each other at odd times but it felt like we were never far apart. I love and miss you as will all those who've shared time and space in your life. Free
