I'm very sorry to hear about Professor He's passing. I am the son of Lijie Qi, a student of Professor He. She is traveling in China right now but heard about the news. If possible, could you contact me via email so that she can be put in contact with Professor He's family? Thanks. I worked with Professor He almost 10 years ago. He actually gave me my first job, having me convert his physics paper into LaTeX for submission to journals. He will be missed!
