Mark was my friend, my mentor and my business partner. A man generous with his time and heart. The older annoying brother I never had who was ever ready to debate the politics of the day and share his wit, wisdom and opinion with me. He made me a better person. He was a man of many talents with a commitment to serve his country and his community. Prayers and wishes of peace go to Catherine and his family. Thank you for sharing him with all of us.
