Victoria Sherell posted:

My heartfelt sympathy on the loss of your dear loved one. The Bible speaks about our span of life being 70 or 80 years if one is especially strong (Psalms 90:10) so your loved one was able to live longer than most. Though death is difficult to deal with, the Bible also speaks of the time of a resurrection when the lame will leap like the deer (Isaiah 35: 5, 6) and older ones who have died will live again. Take comfort in that beautiful promise from God. For additional information, please visit jw.org.
