### A Letter From Heaven

When tomorrow starts without me, and I'm not there to see if the sun should rise and find your eyes filled with tears for me I wish so much you wouldn't cry the way you did today; While thinking of the many things we didn't get to say. I know how much you love me as much as I love you, and each time that you think of me, I know you'll miss me too. When tomorrow starts without me, don't think were far apart for every time you think of me, I'm right here in your heart.
