Inang Onyang.... Whenever Daniel and I see her she is always happy to see us. She always ask how Dathan is. She always say that she love her daughter/son in laws like his own. and reminded is to always love each other.As I shared before she is a very good cook, she and Tita Lenie (Hernandez) taught me how to make Beef Mechado. And got the best complement when his grandson Joey, said "almost like Mama's, just lucking chorizo de bilbao." We love you Inang and we will miss you. May your soul rest in peace and let perpetual light shine upon you....
