Please accept my heartfelt sympathy for your loss. May the love of family and friends carry you through your grief. Also, I want you to know that God understands your pain. The God of all comfort promises He will bring an end to death forever. And there will be a time when we can be reunited with our dead loved ones again.

Bernard, Nikki, Michelle for as long as I can remember your mother's (wife) light has shined as daily reminder of the power of love! My heart mourns your passing, but just as all of the great ones before her have; she has left a legacy that is growing in humility, compassion, and truth! We pray that God will continue to strengthen and guide your family through this most difficult season of life!
