Marla Vender Rasmussen posted:

I will forever be grateful that I was able to be with Mahsa this summer. To be able to talk openly and to share deep and meaningful conversation, to be able to hold her and care for her in any small way is a gift that I will treasure for I did not believe I would not see her again. Mahsa was the best to everyone. With her you were the best friend and she was the best friend and nothing else mattered. Mahsa's love was deeper than any ocean and brighter than the galaxies. Her love is a love that can not be matched, and I feel blessed and honored to have been bestowed that love. Marla Vender Rasmussen
