Linda and Janice, I was very saddened to hear of your mom's passing. I have many great memories of Grace and the entire family. I can still see her sitting in her chair, alternating between crossword puzzles and knitting while watching Wheel of Fortune. Oh, and don't say the answer out loud too soon! And you better get out of her chair if she came in the room ?? She was a very kind and loving mother-in-law and taught me a lot when I was married to your brother Kenny. She went through a lot during her life and I'm sure she is resting peacefully in the presence of angels. She loved everyone with her entire heart and know that she remains in our hearts for eternity. I will always remember her fondly, Katie

Mom, you'll be missed. I will remember all of your advise given through the years. I'll miss your wit and sense of humor. You are the Mother that loved and protected all her children. Thank you for letting me ballet dance, my Girl Scout experiences and the days I went to your job to ice skate across the street. You'll be missed and loved by your family and friends
