Lillian and I have shared cabins at samish bay paint out. She was planning to do that with us this year. Her friends definitely feel the loss of a very gracious woman and friend. I feel so badly for her young family. God bless you.

I have had the pleasure of enjoying Lillian's friendship since her Davey and my Ren were in first grade together. I will miss our time on the hill near school – from her morning waves to our afternoon conversations... I am appreciative of her presence in our community and my life.

My deepest sympathies go out to Lillian's family and friends. She is already deeply missed, and she had so many wonderful talents to lend to this world. May she be watching down on us from Heaven as we try to understand why she was taken so soon. I enjoyed the times I shared with Lillian and will cherish them forever.

Lillian has taught me that family does not necessary mean kinship by blood or marriage, in our journey thru' life, we meet our beloved fathers, mothers, sister and brothers. Some we held so dearly and lost, with silent hysterics we carry on. I have learned from her to embraced our own closely, and others closer. Looking forward to seeing you again, in the paradise earth, soon. Love, Cassy

With deepest condolences to Joe, David and to Lillian's entire family. I remember meeting Lillian on the first day of college and she made an impression on me. She has always been a part of my life and I was happy to have had the chance to see her last December after a long hiatus. She was a gifted artist and a passionate believer in all that is good. I miss her dearly. Love, Sandi

I had the privilege of working with Lillian at Susan G. Komen Puget Sound where we both volunteered. Although I knew Lillian for only a few months, we came to be friends. Lillian's quirky and quick sense of humor was a delight. She was dedicated, thoughtful, and gracious. She spoke lovingly of her family and her art. I will miss Lillian, and will think of her often. My condolences to her dear family and friends.
