Grandma Greer was the classiest, most charismatic, and successful lady that I have ever known. Birds of paradise were both my Grandparents Greer's favorite flowers if anyone wishes to leave them flowers that would be the right choice.

When i was a kid, usually once a year i got to go spend a week at my grandma and grandpas. My grandma used to take me to the lawrence hall of science, which i enjoyed very much. She always took me out somewhere to have fun and i thought i was so cool riding in her mustang 5.0 convertible. I have nothing but good memories of her and she willbe dearly missed.
