To my love, A part of me left with you when you closed your eyes that night. But that's ok because I know you will take good care of it till we see each other again. On the inside you had a heart of gold but on the outside you were as tough as nails. If I could live my life all over again I wouldn't change a thing. Even through all the ups and downs. You are my heart and soul and most of all you were my one and only best friend. I have always loved you... I've never stopped loving you. I LOVE YOU MARK. You were the best and always will be.. Goodbye my love till we see each other again...
