An amazingly strong woman of unwavering faith. The impact you made on our lives created a lasting legacy. Your joyous laughter, comforting embraces, and mere existence are profoundly yearned for. It hurts to not see you physically but we know you are living in paradise pain free. We love you and miss you dearly . Love, Nikki McNaulty and Gustavo Vasquez

To my Big Sister, I will always be eternally grateful for every moment that we shared. Especially towards the end because, it was then that I really saw how big your God was. Your faith was so inspiring to me. Your motto "I walk by faith, not fear" allowed you to face every challenge with a level of peace that surpassed all understanding. Everyone you encountered was amazed by your strength and calm spirit. Now, you have won your race. While I miss you everyday, I rejoice because you are no longer in pain, no longer suffering and I KNOW that while your body may have grown weary from sickness, your spirit (which is what made you who you are) is yet alive, and rejoicing; free from all the cares of this world! Thank you for loving me and being a beautiful big sister to me. I love you. 'Til we meet again~your baby Sis, Monique❤️
