Gloria O'quinn lit a candle in honor of Carvell.

I am so saddened to learn of Ms. Carvell's passing. She was my longtime facial client at Le Visage. We will miss her dearly. Sending love to her family.

My prayers for God's continued BLESSINGS are extended to Carvell's family starting with my Junior High School classmate and lifetime friend Sandra Matlock. I often think about the many pleasant phone conversations Carvell and I had after I got more aquatinted with her in Oakland several years ago. Our family connections go back to my grandmother, Violet Williams Massey, when Sandra's mother, Fern, was so helpful to my grandmother getting her check cashed to pay her rent in the Bakersfield Housing Projects -- but not before her tithes were set aside first! I also have fond memories of Polly and my very funny conversation with Mr. Harold Matlock, Sandra's Dad, who was friends with my Uncles Walter and Robert (Bob) Massey. Love to all and if I have forgotten any other special relationships charge it to my age and short memory not to my loving heart.
