# Charles Nelson De Metz

JUN 11, 1971 - JUL 1, 2024

**N**elson was born in Mexico City in 1971, where he developed a strong work ethic from a young age. Balancing work and studies early on, he demonstrated determination and a drive for success that would define his life.

While pursuing his university education, Nelson worked at American Express, gaining valuable experience in a corporate environment. His ability to manage both academic pursuits and professional responsibilities showcased his multitasking skills and dedication. From an early age, Nelson harbored a deep interest in computers, which he cultivated into a successful career spanning both Mexico and the United States. His expertise in technology reflected his commitment to mastering his craft and staying at the forefront of advancements in the field.

Beyond computers, Nelson had a zest for life that manifested in various interests and activities.

He loved cars, motorcycles, and a wide range of sports, including biking, swimming, scuba diving, snorkeling, water skiing, snow skiing, ice skating, and skydiving. His hands-on approach extended to his vehicles, where he constantly sought to upgrade and innovate, turning his passion into personalized creations. He also loved to travel and explore different

types of  
cultures.

Nelson's adventurous spirit and unwavering determination inspired those around him. His ability to tackle challenges head-on and his creative ingenuity left a lasting impression on all who knew him. He peacefully passed away at the age of 53, leaving behind his devoted partner/wife and his beloved son. While he may no longer be with us physically, his vibrant spirit and passion for life continue to live on in our hearts. May Nelson's spirit continue to shine bright in the hearts of those who loved him, and may his memory be a source of comfort and strength during this difficult time
