I will always be grateful for Blake. He reached out to me after hearing me speak at an industry event. He shared his incredible journey in the media technology business and in life with me. He encouraged me to continue my work and quickly became a trusted counselor for me. He shared with me experiences and techniques to thrive. He introduced me to people who have positively impacted my life. I am forever grateful for his mentorship, support, and the fact that he chose me, as one of many, with whom to share his business and life wisdom. My sincerest prayers, condolences, and sympathies during this very difficult time to the entire family. May God and the wonderful memories of Blake's love and devotion comfort and keep you all.

I will forever be grateful for the incredible support Blake offered to my non-profit, BYOC (Build Your Own Computer) Camps and Clubs. Since 2015, his contributions helped BYOC take youth from Cincinnati to California on five unforgettable trips to visit major tech companies. These trips have been inspiring, engaging, and, for many, truly life-changing. Blake joined our group for dinner on occasion, including last year, in 2024. It brings me comfort to know he witnessed firsthand the impact he had on the youth he helped inspire. Thank you, Blake. Your legacy will live on in the lives you've touched. May you rest in peace."

🦋 A limb has fallen from the family tree. I keep 🍊 hearing a voice that says, "Grieve not for me. Remember the best times, 🍊 the laughter, the song The good life he lived while he was strong. 🍊 Continue 🦋 his heritage, He's counting on us. Keep smiling and surely the sun will shine through. His mind is at ease, 🦋 his soul rest. Remembering all, how he was truly blessed. Continue traditions, no matter how 🍊 small. Go on with your life, don't worry about falls. 🦋 We all miss him 🍊 dearly, so keep our chin up. Until the day comes when we all meet again. 🌻"
