Joshua Michael Heath

MAY 31, 2000 - MAR 6, 2025

Joshua M. Heath May 31, 2000 – March 6, 2025

With heavy hearts, we share the passing of Joshua Heath, an explorer whose journey ended far too soon at the age of 24. Though his time with us was brief, he lived each day with boundless curiosity, kindness, and a love for the world that was truly rare.

From the mountains he climbed to the roads he wandered, Joshua found beauty in every corner of life. His adventurous soul could never be contained, and his laughter echoed in the hearts of everyone he met. He embraced strangers as friends and treated friends as family, leaving a trail of love and light wherever he went.

More than anything, Joshua was a kind-hearted soul, always ready with a smile, a helping hand, or a story from his latest adventure. He loved deeply, without hesitation, and brought joy to all who had the privilege of knowing him.

He was preceded in death by his grandfather George Wikle and his grandmother Alice Heath. He is survived by his parents, Craig and Debbie Heath, his sister, Taylor Bland (Dylan Bland), his grandfather, Ronald Heath, and his grandmother Beatrice Wikle as well as aunts, uncles, cousins and his niece, all of whom will forever cherish the warmth of his spirit and the memories he gifted us.

Though his path has led him beyond our sight, we take comfort in knowing that he is still exploring. We hold fast to God's promises that our roads will one day converge again. A family celebration of Josh's life will be held at a later date.

His first time in a Leather bar. The 4 of us had traveled to gather in Colorado and when we got to the Bay, Nick wanted to go bar hopping. We had Roach with us so she went everywhere we went. Hash and I are dancing when He yells me he thinks the door in the corner leads to the Orgy Room. All 3 of them were curious so we all went in. It was not a full blown Orgy. More like a cruise strip. Roach quickly realized as the only woman. It was not the room for her. Me and Hash watched as two men were kinda fighting over Nick's stick. And Nick put it back in his pants and said No one is fighting over my penis. But what was funny was they had a sex toy vending machine. Hash was in disbelief at some of the items.

There are so many words yet no words. If I could have anything it would be to be swimming in the sea with you in Hawaii and getting friend tofu after and then hitting the kava bar and laughing until the sun rose. I love you to the moon and back and this emptiness i feel never get easier. So many things I wish I could tell you. Just know how adored you were by all of us hashy.

Josh and I did our fair share of hikes together after I graduated high school and became good friends. The one and only tattoo I have was one he did in my wrist when I was 19. He was such a bright light full of happiness.. He will be missed. ❤️

My favorite memory with Josh was when we went on vacation to the beach with our family. Me and him, just the two of us, went for a really long walk together talking about everything and taking selfies along the way. He always had such a warm smile and sweet spirit. I will miss you forever Joshy.☐

I got to see him Thanksgiving 2 yrs ago , he told me of his adventures. He hugged me the way he did when he was a little boy , he's my only nephew I love him and will miss him . I pray for you Joshy !! Uncle Rich
