“ My first memory of my Uncle John was in 2013. While visiting Aunt Mary in Seattle, she suggested I connect with him. She gave me his number and I am happy today that I got a chance to get to know him well. And of all the questions and family inquisitions, the one thing that I want to share with the world is that UJ knew THE SAVIOR...Jesus Christ ! Though we may struggle in life God is faithful to His Word. For a short time we may grieve, but like King David after the death his child, He got up, cleaned up and had a feast... I know I will see him again and perhaps dance around heavens throne room ! Hallelujah
