“ We played on the A's he always had a smile was the tall kid on the team and had a great arm. His family are great people i respected his dad and thank him for his service. At Arlington he was easy to make laugh and continued his athleticism when i didnt but that didnt stop us from being great acquaintance from little league to h.s. My very last memory of him was prom at Angels stadium looking fly and flashing that big smile. Genuine guy. Happy to have come across you In my life Ty. Rest easy big man ill see you again one day as will we all. Amen

“ I am so sorry to all of you for your loss. Tyrell seemed like such a quiet and deep soul. Thank you for sharing more about him here. I Hope he has found the peace that he was denied on this earth. I hope those responsible for taking this light out of your lives are held fully accountable.
