Most importantly, they allow you to spend more time personalizing the ceremony as you celebrate the life of the person you are honoring. Many of the packages are designed to provide a complete funeral ceremony, including both the professional services and the necessary merchandise. Coming together with friends and family gives everyone the opportunity to share memories, express emotions, and find comforting support. Whether you choose burial or cremation, the need for acknowledgement of the loss with family and friends is ever present. Together we can create a unique and meaningful ceremony to express the genuine individuality of your loved one.

OUR PAYMENT POLICY

To lose someone you love can be a devastating experience. It is frequently traumatic and can seriously impact judgment. We believe in the importance of the recognition and meaningful celebration of a life that has been lived and will assist in arranging an appropriate service to meet your individual needs. It is also important to be realistic in respect to funeral expenditures. We do not want a family to spend more than they should, nor less than they would like. What is important is that the arrangements be in keeping with the family's wishes and budget.

Provisions for payment can be made at the time of the arrangement conference but are due 48 hours before the visitation or service occurs. To avoid any possibility of misunderstanding or embarrassment, and for your convenience, we accept the following methods of payment: check, credit or debit card, insurance assignments of verifiable life insurance policies, payment by forwarding or receiving funeral homes, or pre-paid funeral plan. Please consult your funeral director or advisor with any and all questions or concerns.

PREPLANNING ASSISTANCE

Planning is determining the details of your funeral and cemetery services in advance. To some, this may sound like a difficult conversation. However, putting a plan in place is actually a smart and caring thing to do. With a plan, you'll reduce stress and financial burden for your loved ones—and simply let them honor and celebrate your life, knowing things are happening just as you wanted.
